Welcome to Louisquisset Golf Club

At Louisquisset Golf Club our members share a connection to one another through a natural sense of friendly nature and camaraderie

We put fun first, golf and competition second.
Tirelessly striving to provide our membership with a fun,
easy going, and welcoming atmosphere

LGC established in 1927 has held a distinct position in the center of the Town of North Providence, just minutes from Downtown Providence and just seconds from Routes 95 & 295 for easy access

The Course

Established in 1927 as an 18-Hole course and re-designed by famed Professional Golfer Ken Venturi in 1986

Our now 9-Hole course provides a charming yet challenging playing experience. Carved through natural wetlands, rolling hills and oak trees, LGC offers players a setting in the middle of the city where you can get away for a great round of golf

In an 18-Hole round, for any player there is a forward set of tees for the Front 9, and a back set of tees for the Back 9

The Pub on 1

The Pub on 1 is the newest addition to Louisquisset Golf Club. The Pub on 1 is brought to you by the creators of Ladder 133 Kitchen & Social located in Providence, RI. The restaurant is located within the clubhouse of Louisquisset Golf Club, overlooking the first hole. Our American style restaurant offers a warm, inviting atmosphere that is guaranteed to create a memorable dining experience. The pub is an ideal setting for lunch or dinner for the golfers and public alike.

The restaurant has a 55 seat cozy dining room, 18 seat bar and a wrap around outside deck complete with stunning views. Whether you are looking to unwind after a round of golf, grab some drinks with friends, join us for dinner or enjoy the weekend entertainment, The Pub on 1 has you covered.
